EXPERIENCE

DIVERSION 2K25 HACKATHON WEBSITE
Building the Diversion 2K25 Hackathon website enhanced my skills in Framer and Figma, blending creativity with functionality. It was a rewarding step in mastering interactive and responsive design.

GRAPHIC DESIGNER FOR DIVERSION 2K25
As the graphic designer for Diversion, I honed my skills in Canva and digital art, creating visually striking designs. It was a rewarding experience that elevated my creativity and design expertise.

MY INDIANA JONES PORTFOLIO WEBSITE
I created my own Indiana Jones-themed portfolio, a challenging yet rewarding project that enhanced my skills in web development and design thinking. It pushed my creativity and expanded my understanding of website design.
